

Exercise

1. Stephen Curry scores 16 in the first round of the 2016 NBA three-point contest. If Michael Jordan joined the contest, how likely can he beat Curry?
2. Novak Djokovic and Carlos Alcaraz are recent tennis stars. How likely can they repeat the 2001 US Open match of Andre Agassi and Pete Sampras?
3. Pick a player from `nba3point.csv`. Investigate if there is hot hand phenomenon.
